## DROP YOUR PANTIES

Lacy, naughty, sweet and frilly,  
We've got a plan that's a tad bit silly.

Bring a pair of new panties with you,  
Don't let her see them whatever you do.

Don't worry about wrapping them up,  
We're hoping to gather quite the lineup.

She'll be guessing who brought what,  
So be sure they'll look cute on her butt!
